

Screen Printed **Eco Line**

Most important product characteristics:

- 6 standard and proven formats,
- ad printing possibility from 1 piece orders.

Materials:

- bags made of ECO papers in white or brown (natural) colour with grammage from 140 to 190 g/m²,
- 450 g/m² cardboard reinforcement of the bottom, 900 g/m² cardboard reinforcement of the top fold,
- the bags are glued using only dedicated tapes, thus guaranteeing the appropriate durability and strength of the adhesive bond.

Printing types:

- silkscreen printing with the possibility of marking both the front and back side of the bag,
- ad printing possibility from one to three colours.

Handle type:

- cotton cord with a length suited to the size of the bag, tied.

Bags made entirely in Poland.
